YOU WILL NEED:
Card Stock
Scissors
Hole Punch
Ribbon

DIRECTIONS:
Step 1: Print each page on heavy card stock paper, then fold each page in the center at the indicated fold line. Step 2: Have an adult help you cut the folded bookmark along the edge at the indicated area. (you can add a piece of colored construction paper in the center to make the bookmark more rigid) Glue the two sides of each bookmark together and let dry. Step 3: Punch a hole at the indicated area for ribbon or string. Place the string and tie securely.
